Purpose

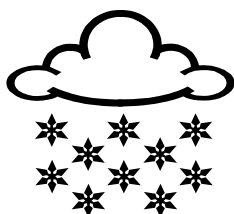

The Youth Football program encourages youth to participate in youth sports leagues, camps and other special events, for the purpose of building leadership, character, sportsmanship, fair play and most of all to have FUN. The purpose of this manual is to provide recreation club officers, coaches and volunteers with vital information needed to provide quality programs.

This manual was designed to serve as a means to communicate the policies and guidelines between our departments and the recreation clubs and volunteers. The manual provides information on all youth league sports, including deadlines, eligibility, responsibilities, protest, cancellations, drafting, boundary policies, rules and directions.

Our goal is to combine the “will to win” with the importance of FUN, participation and the development of skills. Above all our program focuses on providing positive and fun experiences for our community’s youth.

Teams may protest misinterpretation of a rule or player eligibility (ages, residents, penalty assessment, etc...).

- A. **How to Protest:** All protests must be made to the game officials at the time of the incident causing the protest. The game officials shall then notify the opposing coach. - C. Officials are representatives of the league and are authorized and required to enforce all these rules. They have the authority to order a player, coach or fan to do or refrain from doing anything, which effects the administering of these rules, and to enforce the prescribed penalties. They have the authority to disqualify any player, coach or fan for objecting to the decisions, for unsportsmanlike conduct, for inappropriate language and to eject such persons from the playing area. They also have the authority to rule on any point not specifically covered in these rules. No team has the right to refuse any official assigned. Electric scoreboards will be used if available and operational. If none/insufficient number of officials' show to work your game and both coaches agree to play, the game will count.
